I'm using the column this week to provide you with **updates** on various endeavors and events happening in the coming weeks.

First and foremost, this weekend we begin our **First Holy Communion**s! This is one of my favorite events of the year. I love First Communion. The enthusiasm of the children to receive Christ is so uplifting! There two First Communion Masses this weekend and two next.

Pope Leo's first anniversary of his election as pastor of the universal Church is this Friday. There will likely be much media coverage in the coming days highlighting his first year. Archbishop Henning has asked for all of us to offer prayers of thanksgiving for him on Friday. If possible, please attend Mass or offer a Rosary for the Pope's intentions.

I am grateful to all who have contributed to the Annual Catholic Appeal. As of this writing we are close to our goal. As you likely know, each parish is given a goal. Upon reaching the goal, the parish receives a rebate on what is contributed over the goal. Last year we received over \$20,000 in rebate which was a big help with the renovation of St. Clare Church.

This is a good place to mention some **projects that we are undertaking** over the next several months.

- **Roof** on St. Francis Church needs to be replaced.
- Updating of the **sound system** of both Churches
- Installation of **security cameras** at St. Francis
- Pavement work around St. Francis
- Repair of St. Francis **Rectory front steps**
- **New floor at St. Clare kitchen**

Fortunately, given the generosity of parishioners in the Grand Annual and the rebate from the Annual Appeal we are able fund these projects. Thank you!

And since I am on the topic of raising funds, I am very happy to announce that our collaborative has been asked to pilot a new app to help with the offertory. In the weeks ahead you will hear much about **Donum**. This is an app that anyone can download on a smartphone or tablet that will allow contributing to the collection electronically. So many people today do not carry cash. Many have asked about using Venmo or Apple Pay in order to contribute. Until now, we have not had the wherewithal to receive such donations. With Donum anyone can simply click a button or two and immediately contribute to the weekly collec-

tion. The official launch will be on the last weekend of this month, however the app is live now for anyone who would like to take a look. Simply go to the app store, and download Donum. Open the site and where it asks for the name of the parish simply type in St. Francis, Braintree or St. Clare, Braintree. This has the full support of the two finance councils and the collaborative pastoral council. Let me know what you think about it.

Wednesday of this week, being the first Wednesday of the month is the **Community meal**. A group of dedicated and talented parishioners will be preparing a hot meal for anyone who comes, which will be served at 5:30. My thanks to the volunteers and benefactors who make this possible.

As you well know the month of May is dedicated to the Blessed Mother. During the Monday nights of May we will pray the Rosary beginning at 6:45 in St. Francis Church. Next Sunday, being Mother's Day, we will have the crowning of the Blessed Mother following the 10:15 and 11:30 Masses.

From
Deacon Joe MacDonald

The Eucharistic Miracle of Boslena

As you might already know, I have been on a pilgrimage for the last ten days to many of the holy sites in Italy. I joined thirty-two other pilgrims. Most of these were from our own Braintree Catholic

Collaborative but some who joined us were from other parishes both local and as far away as Virginia. Together and as individuals we experienced powerful encounters with the Lord and with His saints. One thing that is especially significant to me is that the saints aren't just people we can know from history but they are real people, separated from their bodies for now, but alive with Christ in heaven. And they desire to aid us in our ultimate pilgrimage, our journey through this life to eternal life. They are our friends. We can talk to them; pray to them and ask them to pray with us.

I knew that I would come back desiring to share my experiences with all of you, but where to start was a challenge. Should I go in chronological order or share what was most significant to me? But I thought I would start with the site with the most significant meaning to all of us. That would be our first stop in Orvieto to one of the most beautiful medieval churches in Europe - *il Cattedrale di Santa Maria Assunta*. (the Duomo). It is in this Duomo that we were able to contemplate the precious relic of the Eucharistic Miracle of Boslena. If you would like to learn more about this miracle and others you can go to the web site dedicated to Eucharistic Miracles created by Saint Carlo Acutis. You can find it by going here <https://miracolieucharistici.org>.

A German priest, Peter of Prague, was having a crisis of faith. It wasn't faith in God or the Church that was the problem, but he doubted the real presence of Christ in the Eucharist. In 1263 he was traveling to Rome on a pilgrimage and stopped at a church in Boslena. As he was celebrating Mass, the Sacred Host, now the Body of Christ, began to bleed and stained the corporal that was placed on the altar (We see priests or deacons lay corporals on the altar at every Mass). This experience changed Peter and he now had no doubt at all about the true presence. The stained cloth (shown above) was brought to Rome and examined by Pope Urban IV and Saint Thomas Aquinas and declared a miracle. The feast of Corpus Christi (the Body of Christ) was already a local custom, but this miracle led Pope Urban to extend the feast to the entire Church. We will celebrate Corpus Christi on June 4 this year.

Well, that's the history behind the miracle but what

does it say to us? Why is it important to us? In this modern age when many people put more faith in science than in God and His Church; when even people of faith, like Peter of Prague, can't believe in the true presence. Many protestant and evangelicals who believe with certainty that Jesus changed water into wine find it impossible to believe that the same Jesus can't change bread and wine into His Body and Blood.

Jesus said it himself. The people asked for sign saying that Moses gave them bread from heaven. What sign can you give? Jesus responded, "I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world." (John 6:51) At this the crowds began to grumble among themselves, "How can He give us His flesh to eat?" (John 6:52) They didn't believe it. They couldn't believe it. But Jesus didn't back track he doubled down. "Amen, amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you...My body is true food, and My blood is true drink." (John 6:53, 55). People left, even some of His disciples. It was too much for them. Even those who stayed and believed still had the question the crowds asked, "How is He going to do this?" You can read all of this context in the sixth chapter of John's Gospel.

Of course, the answer is found at the Last Supper when Jesus took the bread and wine and declared them to be His Body and Blood. "While they were eating, Jesus took bread, said the blessing, broke it, and giving it to his disciples said, "Take and eat; this is my body." Then he took a cup, gave thanks, and gave it to them, saying, "Drink from it, all of you, for this is my blood of the new covenant, which will be shed on behalf of many for the forgiveness of sins." (Matthew 26:26-28) This has been handed on to us for over two thousand years and is the answer to the question "How can he give us his flesh to eat?"

I am certain that there are some of us here today who don't believe it, or weren't taught it, or haven't even given it a thought. Even those of us who do believe, with all our hearts, that we receive the Lord's Body and Blood in Holy Communion often take it for granted. We believe, but at the same time often approach the altar and receive the Eucharist not fully appreciating that we hold in our hands the same precious body held by the Blessed Mother in Bethlehem and at the foot of the Cross. We forget the intimacy of God sharing his very life with us. I get it, I'm guilty of this myself. I'm too busy thinking about what might be bothering me in my life, or what song I am playing next. Sometimes we are just too distracted.

My experience at the Duomo in Orvieto has prompted me to be more intentional each time I receive the Lord in Communion. I pray that my belief never fails and that

I am always aware of the great gift God has given in the Eucharist. I also pray for those who do not believe, who cannot believe or were never taught that they too might come to know Jesus and meet him in prayer and especially encounter Him in the reception of the Holy Eucharist.

Father, by the intercession of Saint Carlo Acutis grant we pray that our faith in your Son's true presence in the Holy Eucharist will always grow stronger and that our love and devotion to Him in the Holy Sacrament of the Altar will remain with us forever. We ask this through Christ our Lord. AMEN.

Meet the Youth Choir – Volume 1

Thank you, Jeffrey, for being a part of our choir! We are always looking for new voices to join us! Email Karen Lane at klane@sfab.org if you are interested!!

It was Super Saturday for the Confirmation students recently! The students got to know a little more about each other by playing a game called "Speed Friending." They listened to a witness talk, had large and small group discussions, and were put through a maze which taught them that they are never alone- all they need to do is ask for help and God will send them the assistance they need. They ended the day outside discussing the gifts of the Holy Spirit, which they will be receiving very soon! Please continue to keep the confirmation students in your prayers.

Exciting News!! We have received our first Flat Leo letter/picture!! Mrs. Edward's class wrote to us all the way from South Dakota and told us about their state and their school. Come down to the RE Hall to check out the map that will be posting all the responses as we receive them!

We will also post your adventures with Leo, so take some pictures and send them to Mrs. Lane at klane@sfab.org with a caption!

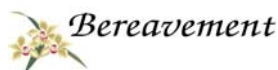

Our School, St. Michael Elementary

Flat Leo has been very busy! A group of parishioners from St. Francis and St. Clare in Braintree went on a pilgrimage to Italy last week! Here is a picture of us waiting in St. Peter's Square for the Pope to speak to the crowd!

Bereavement Support Group

Are you grieving the loss of someone close to you? If you are interested in talking about your grief and need support in your grief healing, we are again beginning our bereavement classes. The hour-long meeting will help you bring your suffering to the Lord and also allow you to know others who are going through something similar.

Meetings will meet weekly from 10:30—11:30AM. No sign-up or commitment, just a place to come and find comfort. **Please note there will be NO meeting on Saturday, May 9th.**

May 3: Fifth Sunday of Easter

In the Gospel today, Jesus says "...whoever believes in me will do the works that I do, and will do greater ones than these, because I am going to the Father. **Through your almsgiving you are performing a good work; far greater than you think. The coins placed in the St. Vincent de Paul Poor Box bring Christ love and compassion to the poor.**

Pantry donations can be dropped off at the Collaborative office during normal business hours (M-F 9-4). **Blue envelopes are in holders on the back inside wall of the church. Please use them for your cash, check (written to St. Vincent DePaul with SFA on the memo line), or gift card—and place them into the collection basket or through the rectory mail slot.**

Our next Community Meal is scheduled for 5:30 THIS Wednesday, May 6, 2026 at St. Francis. Enjoy a hot, home-cooked nutritious meal and enjoy a sense of community. This meal is FREE. If you know someone who could benefit, please share this with them.
